

## FCLC Edinburgh Summer dates 2024

Established in 2006 and accredited by the British Council in our second year of operation, our programme is based at the beautiful and historic Fettes College and is specifically designed to give students the maximum opportunity to learn, develop and practise English in meaningful contexts. The combination of lessons, activities, arts and crafts, sports, projects and excursions helps students develop lifelong friendships within a safe and nurturing environment and means that they are never left to their own devices. We believe constant stimulation means constant learning.

Our intensive summer programme is designed for students aged 10 to 17. Our academic programme is further divided into lessons for Young Learners aged 10 to 13 and for Young Students aged 14 to 17. The programme keeps our students active, safe and motivated at all times while offering as many learning opportunities as possible. We are an independent, one-site centre offering tuition, accommodation, meals and activities within our secure and stunning campus.

Please see the dates for summer 2024 below.
